Why

support AIMs – Polytech Mons Alumni ?

Your Goal

- Make your company known to a targeted audience of Civil Engineers
- Convey a message, convince, recruit, create business partnerships
- Find support to develop your image
- Make your business grow...

Our Proposal

- Help you to convince, send a message, recruit Civil Engineers
- Develop your business by promoting professional meetings
- Create a privileged communication between your company and 2000 Civil Engineers of the Mons Polytechnic Faculty
- Provide visibility within the UMONS which comprises 9 Faculties including the FPMs...

Our information channels

- A quarterly **Journal**
- An interactive **Web Journal**
- A monthly **newsletter**
- A daily updated website: **polytech-mons-alumni.be**

Our annual events with sponsor logos

- Family **activities** all year round
- Prestigious **conferences**
- Social events such as Polytech Mons Day, New Grads Induction Night, Business Cocktails, "Bal des Mines", New Year's Eve, etc.
- Knowledge-based **interactive meetings**
- Seminars for **technical** and/or **economic purposes**
- Training, **coaching**, networking...

Our support for students

- Scholarships, **loans and prizes**,
- Preparation seminars to **enter a business**,
- **Internships**,
- **UMONS CAREER DAY** for final year students.
Depending on the chosen pack, participation is offered to AIMs partners.

We put all these tools at your service, either via our partnership offer (see below) or via a one-off, personalized action plan (price according to demand).
